

## The Legacy Learning Trust Apprenticeship Data Publication September 2022

### Report covers period 01 April 2021 – 31 March 2022

The Department of Education has published statutory guidance bringing into effect the Public Sector Apprenticeship Target for Multi Academy Trusts that employ more than 250 employees.

This Data Publication includes several figures which will enable the Government, the public and other stakeholders to understand how the workforce of The Legacy Learning Trust is made up and the number of apprentices that are employed within specific periods.

The information supplied assesses the progress made towards meeting the government target of employing, on average, at least 2.30% of the workforce as new apprenticeship starts over 1 April 2021 to March 2022. This is a snapshot in time and does not reflect previous levels of apprentice employment.

A	The number of employees who were employed at 1 April 2021	322
B	The number of employees who were employed at 31 March 2022	324
C	The number of apprentices who began working for the trust in the period from 1 April 2021 to 31 March 2022.	0
D	The number of apprentices who were employed at 31 March 2022	2
E	The number of apprentices that started during the period as a percentage of total number of employees starting during the period	0%
F	The number of apprentices employed at 31 March 2022 as a percentage of total employees at the same time	0.62%
G	The number of apprentices that started during the period as a percentage of the total number of employees on 1 April 2021	0.62%
